

5TH ANNUAL

Southwest Rancher's

Bull & Female Sale

SATURDAY, APRIL 8, 2023

12:30 P.M. AT THE

WHEELER FARMS SALE FACILITY

CHICKASHA, OKLAHOMA

Registered Angus, Red Angus & Hereford Bulls

Registered Open Yearling Heifers

Dear Friends and Fellow Cattlemen,

Welcome to the Fifth Annual Southwest Rancher's Bull and Female Sale. The sale will be at the Wheeler Farms Sale Facility, and on behalf of everyone in the sale, I want to thank Will and Nicole and their crew for hosting Southwest Rancher's and for the time and effort they have invested in preparing for this event. For those unable to attend in person we will also be broadcasting the auction LIVE with ONLINE bidding available through LiveAuctions.tv and have phone bidding available as well. Watch for the catalog and updates on our website at www.mcsauction.com.

This sale is the culmination of a group of breeders that are like minded in their programs and the development of their bulls coming together to offer what we feel is an outstanding set of Angus, Hereford and Red Angus bulls, along with a solid set of registered Angus replacement heifers from Brink, Brookshire and MCS, just in time for green grass.

The Southwest Rancher's breeders have assembled a sound, functional set of bulls that excel in phenotype and individual performance while maintaining a strong genetic base and numerical balance and diversity. The disposition of this group of bulls is worth taking note of as well. Whether you are looking for a herd sire to use in a registered operation, a sire to promote and sell semen on, or a bull to use in your commercial operation, this sale should have a bull that will meet your needs.

These bulls have been developed the right way, with emphasis on maintaining soundness and maximizing fertility and longevity. No one understands more than we do how a bull affects their customer's livelihood. For each bull that leaves this sale, we want that customer to be satisfied. It is our hope to build lasting relationships with our customers by listening to their needs and producing a product that meets those goals.

Evaluate the needs of your operation and plan to join us April 8, 2023 for this event. Please do not hesitate to call me or any of the breeders involved with any questions or if we can help you in any way.

Sincerely,
Matt Sims
