'TO WHICH WE BELONG' DOCUMENTARY FILM SCREENING

Oklahoma City, Oklahoma, August 23, 2023 - The Oklahoma Association of Conservation Districts & the Oklahoma Conservation Commission are proud to offer a very special screening of TO WHICH WE BELONG.

TO WHICH WE BELONG is a documentary that highlights farmers and ranchers leaving behind conventional practices that are no longer profitable or sustainable. These unsung heroes are improving the health of our soil and sea to save their livelihoods — and our planet.

The intent is to build bridges among consumers and farmers in an effort to cultivate both education in soil health as well as the building of businesses by embracing the interconnectedness of living things.

Despite difference in culture and location, farmers and consumers can be rooted in the same belief: that to work with nature, not against it, is the answer.
