Livestock Weighted Average Report for 9/11/2023 - Preliminary

AUCTION

	This Week	Last Reported 8/28/2023	Last Year
Total Receipts:	11,200	5,598	9,932
Feeder Cattle:	11,200(100.0%)	5,598(100.0%)	9,932(100.0%)

*** Close ***

Compared to the last sale two week's ago: Feeder steers 1.00-4.00 higher. Feeder heifers steady to 3.00 higher. Steer calves 2.00-4.00 lower. Heifer calves 2.00-5.00 lower. Demand good for feeder cattle; moderate for calves. Cattle futures worked their way higher late last week and once again today. Several un-weaned calves available this second full week of September, leading many to believe the fall calf run has begun. A Cool front came in today, bringing some much needed rain and more fall like temps for much of the state. This is expected to last most of the week. Timely moisture and cooler temps has farmers busy planting wheat. Quality plain to average. Supply included: 100% Feeder Cattle (51% Steers, 46% Heifers, 2% Bulls). Feeder cattle supply over 600 lbs was 52%.

FEEDER CATTLE
