Livestock Weighted Average Report for 10/5/2023 - Final

AUCTION

	This Week	Last Reported 9/28/2023	Last Year
Total Receipts:	1,772	2,051	4,095
Feeder Cattle:	1,772(100.0%)	2,051(100.0%)	4,095(100.0%)

Compared to last week: Light run of feeder steers and heifers sold mostly steady. Demand good for few feeders. Bulk of supply was un-weaned or short weaned calves and these sold 10.00-15.00 lower. Few long weaned calves steady. Demand moderate at best for un-weaned calves. Demand very good for long weaned calves. In the cattle business it is the dreaded month of October where wide temperature changes prove tough on short weaned or un-weaned calves. First cool front of the season pushed thru over night bringing some much needed rain. Another cold front is headed this way and will drop over night temps into the 40's. Supply included: 100% Feeder Cattle (54% Steers, 41% Heifers, 6% Bulls). Feeder cattle supply over 600 lbs was 55%.

FEEDER CATTLE

STEERS - Medium and Large 1 (Per Cwt / Actual Wt)

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
