Livestock Weighted Average Report for 9/16/2025 - Final

AUCTION

	This Week	Last Reported 9/16/2025	Last Year
Total Receipts:	6,516	0	0
Feeder Cattle:	6,516(100.0%)	0(0.0%)	0(0.0%)

Compared to last sale: Feeder steer 600-800 lbs. 7.00-10.00 higher on better quality cattle. Feeder steer over 800 lbs. 5.00-7.00 lower. Feeder heifers 3.00-8.00 higher, 850 lb. weight class 20.00 higher. Steer and heifer calves 10.00-20.00 lower on lesser quality. Demand good. Notably calves weaned less than 45 days and those with 1 round or no shots took a plunge today, as much as 40.00 lower. Calves straight off the cow with at least 2 rounds of shots did not feel the full slip of today's market and are labeled as value added in this report. It is crucial this time of year to wean calves 45-60 days prior to the sale to ensure their health and marketability. Sick calves are less likely to sell and can result in substantial financial losses. Supply included: 100% Feeder Cattle (61% Steers, 37% Heifers, 3% Bulls). Feeder cattle supply over 600 lbs was 61%.

FEEDER CATTLE**STEERS - Medium and Large 1 (Per Cwt / Actual Wt)**

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
