Livestock Weighted Average Report for 10/14/2025 - Final

AUCTION

	This Week	Last Reported 10/7/2025	Last Year
Total Receipts:	5,712	5,388	4,500
Feeder Cattle:	5,712(100.0%)	5,388(100.0%)	4,500(100.0%)

Compared to last sale: Feeder steers 12.00-18.00 higher. Feeder heifers 10.00-20.00 higher with instances of 30.00 higher conservatively. Steer and heifer calves 12.00-18.00 higher with instances of 25.00-30.00 higher. Demand robust. Quality attractive to exceptional. Buyers were very active across all classes of cattle. Stockers are looking to place wheat cattle, contributing to today's demand. Inconsistent weather patterns are taking their toll on some of the weaning calves and we are starting to see their health slip and death loss is a concern for buyers. Any cattle in this report marked as "Unweaned" are calves that are straight off the cow or weaned less than 60 days with only 1 round of shots or have no shots. Any cattle marked "Value Added" are calves straight off the cow or are weaned less than 60 days that have received at least 2 rounds of shots. Supply included: 100% Feeder Cattle (57% Steers, 41% Heifers, 2% Bulls). Feeder cattle supply over 600 lbs was 68%.

FEEDER CATTLE

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
