BULL NAME: Heath Accolade 2403 Actual Birth Wt: 77

DATE CALVED: 2/29/2024

SIRE: OCC Accolade 825A

DAM: MH Mina 029

CONSIGNOR: Heath Cattle Company

Comments: Heath Accolade 2403 is a natural born calf out of MH Mina 029, a cow raised by Monte Howrey in South Dakota. Mina 029 has been one of the herd's top-producing cows, consistently delivering high-quality calves year after year and now approaching 16 years of age. She exemplifies extreme longevity, fertility, and strong maternal traits, all of which add exceptional value to this bull's pedigree. This rugged beef bull is very sound on his feet and legs and should provide many years of service in nearly any environment.

Breed: Angus

Papers Available: Yes

BULL NAME: Heath Play It Safe 2400

Actual Birth Wt: 72

DATE CALVED: 1/15/2024

SIRE: Play It Safe H420

DAM: C-4 Beth Dutton 151K

CONSIGNOR: Heath Cattle Company

Comments: Heath Play It Safe 2400 his very docile and has been a crowd favorite since weaning. Take time to study a pedigree packed with proven, high-performing cows. His granddams include Akers Juanada 9100 and Dixie Erica 605W 1-905, widely known as the "Warlock" cow from Limestone. The dam of Heath Play It Safe 2400, Beth Dutton 151K, is an absolutely gorgeous cow, and we believe this bull is destined to sire highly productive females in the future, backed by the depth, power, and maternal strength found throughout his bloodline.
