Livestock Weighted Average Report for 4/14/2026 - Final

**AUCTION**

|                        | This Week     | Last Reported<br>4/7/2026 | Last Year     |
|------------------------|---------------|---------------------------|---------------|
| <b>Total Receipts:</b> | 7,923         | 7,880                     | 5,970         |
| <b>Feeder Cattle:</b>  | 7,923(100.0%) | 7,880(100.0%)             | 5,970(100.0%) |

Compared to last week: Feeder steers over 800lbs unevenly steady, under 800lbs 5.00-15.00 higher. After last week's stout run in the heavyweight steer market, grazing steer prices caught up this week. Feeder heifers over 750lbs unevenly steady, under 750lbs 5.00-10.00 higher. Steer calves over 500lbs 5.00-10.00 higher, under 500lbs steady. Last week, five-weight steers were only modestly higher while flyweight steers were dollars higher; this week was the exact opposite. Heifer calves were 5.00 to 10.00 higher. While no trend will be set on unweaned cattle, it was noteworthy that unweaned steer calves were lower, while unweaned heifer calves were higher. The steer calf market started the day inconsistent, with some weight classes trading lower and others higher, but improved as the sale progressed. The heifer calf market, on the other hand, started strong and remained that way throughout the sale. Tuesday's calf sale included several drafts of brahma cross steers and heifers, thin fleshed, that sold close to number 1 money. Supply included: 100% Feeder Cattle (57% Steers, 41% Heifers, 2% Bulls). Feeder cattle supply over 600 lbs was 83%.

**FEEDER CATTLE**

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
