Livestock Weighted Average Report for 5/19/2026 - Final

**AUCTION**

	This Week	Last Reported 5/12/2026	Last Year
<b>Total Receipts:</b>	11,311	11,009	12,671
<b>Feeder Cattle:</b>	11,311(100.0%)	11,009(100.0%)	12,671(100.0%)

Compared to last week: Feeder steers steady to 2.00 lower, over 900 lbs 2.00 higher. Feeder heifers mostly steady to 3.00 lower, decline over 800 lbs. Overall market was uneven. Cattle futures trading lower most of the day but feeder futures flipped on the close and turned higher. Feeder demand good thru the day with active trade. Cattle in medium to fleshy conditions. Several replacement heifer buyers in the house today and they were active buyers. Steer calves over 550lbs unevenly steady, under 550lbs 10.00-15.00 lower. Heifer calves 3.00-9.00 lower. Demand moderate. One consignor did bring a set of fancy calves in large drafts and those cattle sold better than the top end for last week. Buyers continue to give it all for front end cattle, but the overall quality was not there today. A cold front swept through this morning, dropping high temperatures into the low 60s and bringing some rainfall, though the heavier amounts were mostly confined to Southeastern Oklahoma. Supply included: 100% Feeder Cattle (50% Steers, 48% Heifers, 1% Bulls). Feeder cattle supply over 600 lbs was 84%.

**FEEDER CATTLE**

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
