*** Correction on 06/29/2026 ***

Livestock Weighted Average Report for 6/29/2026 - Final

AUCTION

	This Week	Last Reported 6/22/2026	Last Year
Total Receipts:	3,581	4,021	4,764
Feeder Cattle:	3,581(100.0%)	4,021(100.0%)	4,764(100.0%)

Special Note: *** Correction to 6 weight heifers ***

*** Close ***

Compared to last week: Feeder steers and heifers unevenly steady in a light comparison. Heavier weight feeder steers appear some cheaper on paper but quality not as attractive and it was difficult to fill loads. Demand good for feeder cattle despite the downward pressure in cattle futures today. Steer calves 10.00-20.00 higher. Heifer calves 5.00-15.00 higher. Demand very good for calves. Heavy rains hit last week but now the spicket has been shut off and high pressure has set in over much of the state. Temps in the mid 90's to 100 and heat indexes expected to be well into the 100's for well over a week. Grass pasture has improved following these rains. Supply included: 100% Feeder Cattle (61% Steers, 35% Heifers, 4% Bulls). Feeder cattle supply over 600 lbs was 67%.

FEEDER CATTLE

STEERS - Medium and Large 1 (Per Cwt / Actual Wt)

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
