Livestock Weighted Average Report for 7/14/2026 - Final

AUCTION

	This Week	Last Reported 6/30/2026	Last Year
Total Receipts:	5,659	2,927	3,785
Feeder Cattle:	5,659(100.0%)	2,927(100.0%)	3,785(100.0%)

Compared to last sale: Feeder steers and heifers 5.00-15.00 lower conservatively. In a light test, steer calves 5.00-10.00 lower. Heifer calves too light to test. Demand moderate to good. Buyers were selective and conscientious today, not straying far from their order cards. Quality ranged from plain to average. Front end quality cattle were few today. Condition, genetics, and vaccinations played a huge role in today's sale. From our last sale June 30, 2026 until today, the cash market took a downturn due to pressure from the Board of Trade. Given the recent market turbulence, the CME Group increased daily trading limits for Feeder Cattle futures to \$10.75 per hundredweight. CME Feeder Futures closed down 4.725 today. Supply included: 100% Feeder Cattle (67% Steers, 31% Heifers, 1% Bulls). Feeder cattle supply over 600 lbs was 83%.

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
