Livestock Weighted Average Report for 8/25/2026 - Final

AUCTION

	This Week	Last Reported 8/18/2026	Last Year
Total Receipts:	4,657	4,982	6,721
Feeder Cattle:	4,657(100.0%)	4,982(100.0%)	6,721(100.0%)

Compared to last week: Feeder steers 4.00-8.00 lower. Feeder heifers steady to 4.00 lower. Better quality or conditioned feeders sold steady to higher. Feeder market very uneven and almost searching for a direction today. Cattle futures opened the day higher only to fall back into the red by late in the sale. Demand moderate to good and buyers more selective in this down market. Quality plain thru attractive. Steer and heifer calves 20.00-30.00 lower. All classes of cattle had very few friends today. CME feeder cattle contracts for all months in 2027 are now trading below 3.00. Lack of grass and available pond water continue to weigh heavily on demand, leaving producers across the trading area with little interest in buying cattle at this time. Quality did play a role, also, as most cattle were plain. Supply included: 100% Feeder Cattle (52% Steers, 44% Heifers, 4% Bulls). Feeder cattle supply over 600 lbs was 74%.

FEEDER CATTLE

STEERS - Medium and Large 1 (Per Cwt / Actual Wt)

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
