Livestock Weighted Average Report for 9/1/2026 - Final

AUCTION

	This Week	Last Reported 8/25/2026	Last Year
Total Receipts:	3,866	4,657	7,654
Feeder Cattle:	3,866(100.0%)	4,657(100.0%)	7,654(100.0%)

Compared to last week: Feeder steers over 750lbs 5.00-10.00 lower. There were no number 1 cattle under 750lbs that sold on Wednesday. All 600-700lbs steers sold Tuesday at 5.00-10.00 higher. Feeder heifers steady to 5.00 lower. Buyers described the market as being all over the place. Good-quality cattle would have sold at steady money, but quality was limited throughout the sale. Overall buyers were cautious and showed very little aggression on anything today. Steer calves over 500lbs 5.00-10.00 higher, under 500lbs steady. Heifer calves not enough comparables either this week or last week to set a trend but a firm undertone noted. The calf market held together very well on Tuesday despite several negative factors: CME cattle futures closed in the red Tuesday, quality was mostly plain, and hot and dry conditions continue with little relief in sight. Calf buyers remained surprisingly positive and demand held up better than expected. Supply included: 100% Feeder Cattle (55% Steers, 39% Heifers, 6% Bulls). Feeder cattle supply over 600 lbs was 77%.

FEEDER CATTLE

STEERS - Medium and Large 1 (Per Cwt / Actual Wt)

Head	Wt Range	Avg Wt	Price Range	Avg Price	
6	333-349	344	500.00-540.00	512.92	Unweaned
