Livestock Weighted Average Report for 9/15/2026 - Final

## AUCTION

|                        | This Week     | Last Reported<br>9/8/2026 | Last Year     |
|------------------------|---------------|---------------------------|---------------|
| <b>Total Receipts:</b> | 4,281         | 4,606                     | 4,798         |
| <b>Feeder Cattle:</b>  | 4,281(100.0%) | 4,606(100.0%)             | 4,798(100.0%) |

Compared to last week: Feeder steers 5.00-10.00 higher. Feeder heifers unevenly steady. The steer market opened on a very strong note, with prices dollars higher. About half way through the steer turn, quality and condition began to decline, bringing buyer interest to a halt. The heifer market struggled to establish any momentum, as overall quality and condition was limited throughout the heifer run. Buyer interest remained selective with little aggressiveness shown. On Wednesday, the Daube Ranch had some bred heifers that sold well: 38 head 953lbs yearlings 3-5 months black baldies \$3600 and blacks and baldies with horns 12 head 895lbs yearlings 3-5 months \$3000. Steer calves 10.00-20.00 higher. Heifer calves 15.00-25.00 higher. Calf quality was better this week which caused buyers to be more aggressive. All classes of cattle sold very well Tuesday, with strong buyer demand evident across the board regardless of quality or condition. Tuesday's supply included 68% un-weaned cattle. Supply included: 100% Feeder Cattle (60% Steers, 36% Heifers, 4% Bulls). Feeder cattle supply over 600 lbs was 69%.

## FEEDER CATTLE

### STEERS - Medium and Large 1 (Per Cwt / Actual Wt)

| <u>Head</u> | <u>Wt Range</u> | <u>Avg Wt</u> | <u>Price Range</u> | <u>Avg Price</u> |          |

#### Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
