Livestock Weighted Average Report for 9/22/2026 - Final

AUCTION

	This Week	Last Reported 9/15/2026	Last Year
Total Receipts:	7,474	4,281	4,738
Feeder Cattle:	7,474(100.0%)	4,281(100.0%)	4,738(100.0%)

Compared to last week: Feeder steers 5.00-10.00 lower. Feeder heifers steady to 5.00 lower. The primary factor influencing the steer market today was a lack of quality, as the majority of offering consisted of summertime feeders. However, five small drafts of good quality cattle came through near the end of the sale and sold at steady money. The driving factor on the heifer market today was simply lack of interest. Several buyers did not participate in the heifer turn, showing interest for a feeder heifer was just not there today. Steer calves 10.00-20.00 higher. Heifers calves 5.00-15.00 higher. Calf quality started out very plain for the first two hours of the sale. As the sale progressed, quality steadily improved from plain to average, with some attractive drafts offered. Overall calf quality was the best we have seen throughout the summer. Buyers were very aggressive on average to attractive drafts and were willing to push prices higher to buy calves. Tuesday's supply consisted of 52% un-weaned calves. Supply included: 100% Feeder Cattle (57% Steers, 39% Heifers, 4% Bulls). Feeder cattle supply over 600 lbs was 78%.

FEEDER CATTLE

STEERS - Medium and Large 1 (Per Cwt / Actual Wt)

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
