Livestock Weighted Average Report for 9/29/2026 - Final

AUCTION

	This Week	Last Reported 9/22/2026	Last Year
Total Receipts:	5,938	7,474	7,435
Feeder Cattle:	5,938(100.0%)	7,474(100.0%)	7,435(100.0%)

Compared to last week: Feeder steers 4.00-10.00 higher. Feeder heifers 2.00-7.00 higher. Stocker type cattle 600-700lbs mostly sold on Tuesday as calves: steers 5.00-10.00 lower and stocker type heifers mostly steady. Demand good for feeders. Quality was average with few drafts of attractive cattle. Condition was mostly in the buyer's favor. Steer calves over 500lbs 5.00-10.00 lower, under 500lbs unevenly steady. Heifer calves over 500lbs 5.00-10.00 lower, under 500lbs 15.00-20.00 lower. Calf quality was noticeably lower this week compared to last week, which contributed to the softer market. With many farmers occupied in the fields and rain forecasted across the trading area, calf buyer interest was limited. Tuesday's supply included 69% un-weaned cattle. Supply included: 100% Feeder Cattle (53% Steers, 41% Heifers, 7% Bulls). Feeder cattle supply over 600 lbs was 66%.

FEEDER CATTLE

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
