Livestock Weighted Average Report for 10/20/2026 - Final

AUCTION

	This Week	Last Reported 10/13/2026	Last Year
Total Receipts:	4,727	5,066	7,395
Feeder Cattle:	4,727(100.0%)	5,066(100.0%)	7,395(100.0%)

Compared to last week: Feeder steers 10.00-20.00 higher. Feeder heifers 2.00-8.00 higher. Feeder cattle lightly tested in most weight categories but demand very good. Cattle futures trading higher and cooler weather followed by a good rain has everyone in a more optimistic mood. Steer calves 10.00-20.00 higher, instance to 40.00 higher. Heifer calves 10.00-15.00 higher. Demand good for calves and farmers fairly active following last week's much needed rains. Quality average to attractive. Buyers showing more discretion towards quality than number of days weaned. However temperature swings in the coming weeks will become more of a factor in days weaned. Following the heavy rains last week, wheat pasture that was planted well ahead of the rains is growing and thriving, while some other pastures that were just planted before the rains is having to be replanted as much of that wheat was washed down the creeks and rivers. Supply included: 100% Feeder Cattle (61% Steers, 32% Heifers, 8% Bulls). Feeder cattle supply over 600 lbs was 64%.

FEEDER CATTLE

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
